Dear Ms. Jacobs:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, article 6252-17a, V.T.C.S. Your request was assigned ID# 20290.

The City of Richland Hills received an open records request for certain records that you contend may be withheld from the public pursuant to section 3(a)(3) of the Open Records Act. To secure the protection of section 3(a)(3), a governmental body must demonstrate that requested information "relates" to a pending or reasonably anticipated judicial or quasi-judicial proceeding. Open Records Decision No. 551 (1990). In this instance you have made the requisite showing that the requested information relates to pending litigation for purposes of section 3(a)(3); the requested records may therefore be withheld.

In reaching this conclusion, however, we assume that the opposing party to the litigation has not previously had access to the records at issue; absent special circumstances, once information has been obtained by all parties to the litigation, *e.g.*, through discovery or otherwise, no section 3(a)(3) interest exists with respect to that information. Open Records Decision Nos. 349, 320 (1982). If the opposing parties in the litigation have seen or had access to any of the information in these records, there would be no justification for now withholding that information from the requestor pursuant to section 3(a)(3). We also note that the applicability of section 3(a)(3) ends once the litigation has been concluded. Attorney General Opinion MW-575 (1982); Open Records Decision No. 350 (1982).

Because case law and prior published open records decisions resolve your request, we are resolving this matter with this informal letter ruling rather than with a published open records decision. If you have questions about this ruling, please contact our office.

Yours very truly,
